In order to process your request and begin new service it is necessary that you complete the included Utility Service Request Form as explained below and return it to us so that we may update our files.

- 1** Please complete the "Service Information," "Personal Information," and "Personal References" sections.
- 2** Please read the box at the top of the form and sign in the designated space.
- 3** Please enlarge a copy of your drivers license and send that copy along with the completed service request form.
- 4** If a deposit is required, it will be on the first bill. This deposit can be waived if you can provide us with a letter of credit from an electric or gas company with whom you have had service within the last year. The length of service with them must have been at least 12 consecutive months and all payments from the last year must have been made on time. If the service address is outside Logan City limits, no deposit is required and no new customer fee will be charged.
- 5** If you would like your spouse's (or roommate's) name on the account, please include their driver's license and signature at the top of the form.

Once you have completed the steps listed above please send the completed form and a copy of your driver's license to us by fax or through the mail. Please do not send it to us by email because it may not be safe. You may also contact any of our customer service representatives by phone if you have questions. Our contact information is listed at the top of this sheet. Thank you for letting us serve you.
