

Public Service Announcement

November 19, 2015
For Immediate Release

END OF THE 2015 GREEN WASTE COLLECTION SEASON

The Logan City Environmental Department announces the 2015 ending dates for green waste collection programs. The last date curbside green waste containers (green cans) will be collected in 2015 is November 20. We ask that residents please do not set green cans out for collection again until March 21, 2016. Roll off containers designated for green waste materials will be removed from the community drop sites located in towns throughout Cache County on Monday November 23, 2015.

Please keep in mind that green waste can always be taken to the Logan City Green Waste Facility for FREE. Thanks to Cache County residents, each year we are able to recycle more than 11,000 tons of green waste materials. For questions, please see our website at www.loganutah.org or call our office at 435-716-9755.

Thank You.
